Was it always this tacky in the comics, Toma?

It was a castle, wasn't it?

Maybe all of Acres' toons gelling together in a single city lead to some adaptations.

Shouldn't you be more familiar with this world than me?

I don't know anything about the cartoons or the comics. Nothing outside of what I've seen with my two own toon eyes.

The only other who's known as much about this place as you is Worldly!

Not sure how much this knowledge is going to help us if everything is so different.

Speaking of...

Where are all of his servants?

The king's servants, in this place?

Wait, the windows.

Look!

shooom~
SKITTER
SKITTER
SKITTER SKITTER SKITTER!
It really is them!
Trudy's Book of Pages!
THAT'S what he calls them!?
Wait ~ Blot! Something's wrong!
What? How?

That... That's...

That's not the real Rat King!

Hasn't there only been one? This one of those comic things I should be more familiar with?

That's Faux, the king's brother! If he's here, and he has the crown...!

Toma, calm down! What's gotten into you all of a sudden?

THUD

WHO SENT YOU?

Strolling up through the court-yard is pretty brazen. . .

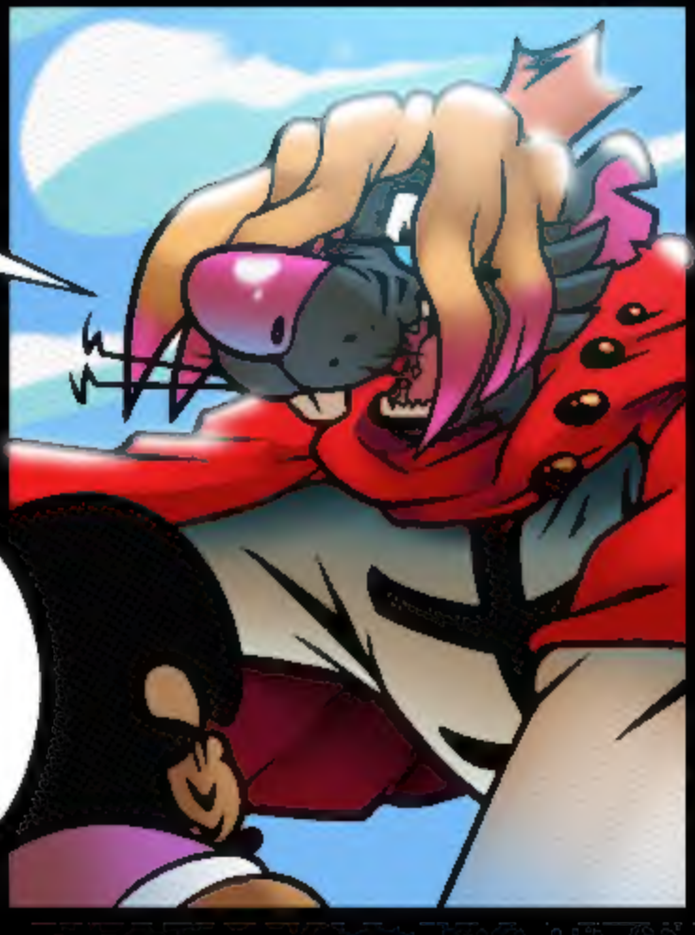
Smell too weak to be an assassin.

Maybe you want to join?

No room for a jester on this court, either. What a bad place to hope for a vacancy. Isn't it!?

AH HAHA!

Ohhh~DUDE the look on your face! Pretty intimidating for a king, I do say so myself~my man!



I SUCK at practicing. Gotta keep up the look. When the folks back home hear about how GOOD a king I've become they'll be super stoked!
